

D-Clix Arena Tournament Management System

User Guide for Club Registration

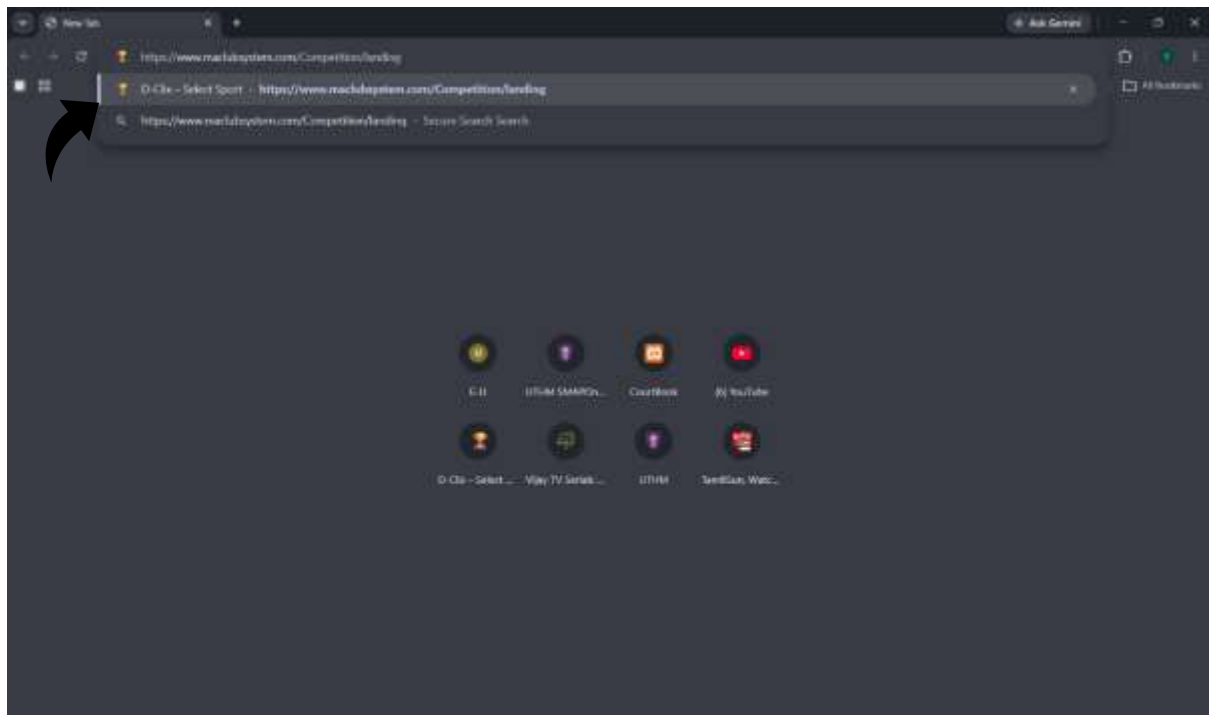

Overview

This document walks through the process a user follows to register a new club on the D-Clix Arena tournament management website. It is intended as a reference, showing each screen encountered during the club registration flow.

Step 1: Enter the Website URL

Open a web browser and go to the following address: <https://www.maclubsystem.com/Competition/>

This loads the D-Clix Arena Tournament System homepage.

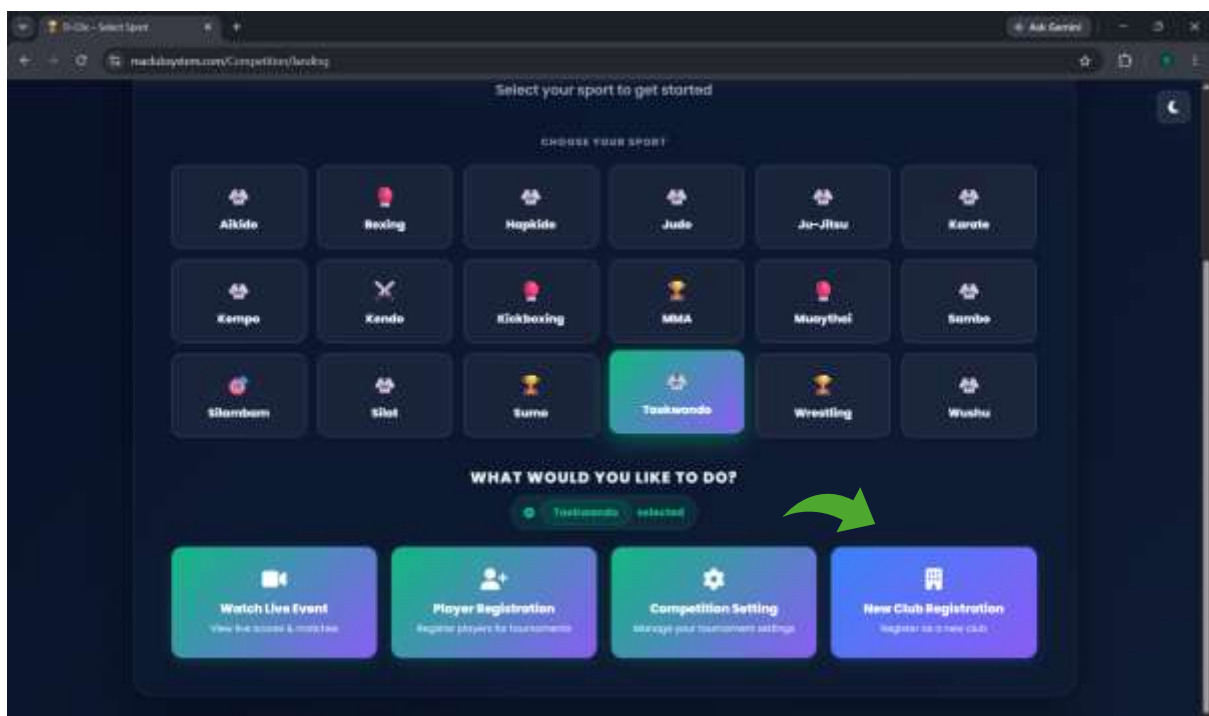

Step 2: Select a Sport

On the homepage, the user is presented with a grid of sports such as Aikido, Boxing, Taekwondo, Wrestling, etc. The user selects the sport relevant to their club, e.g. Taekwondo.

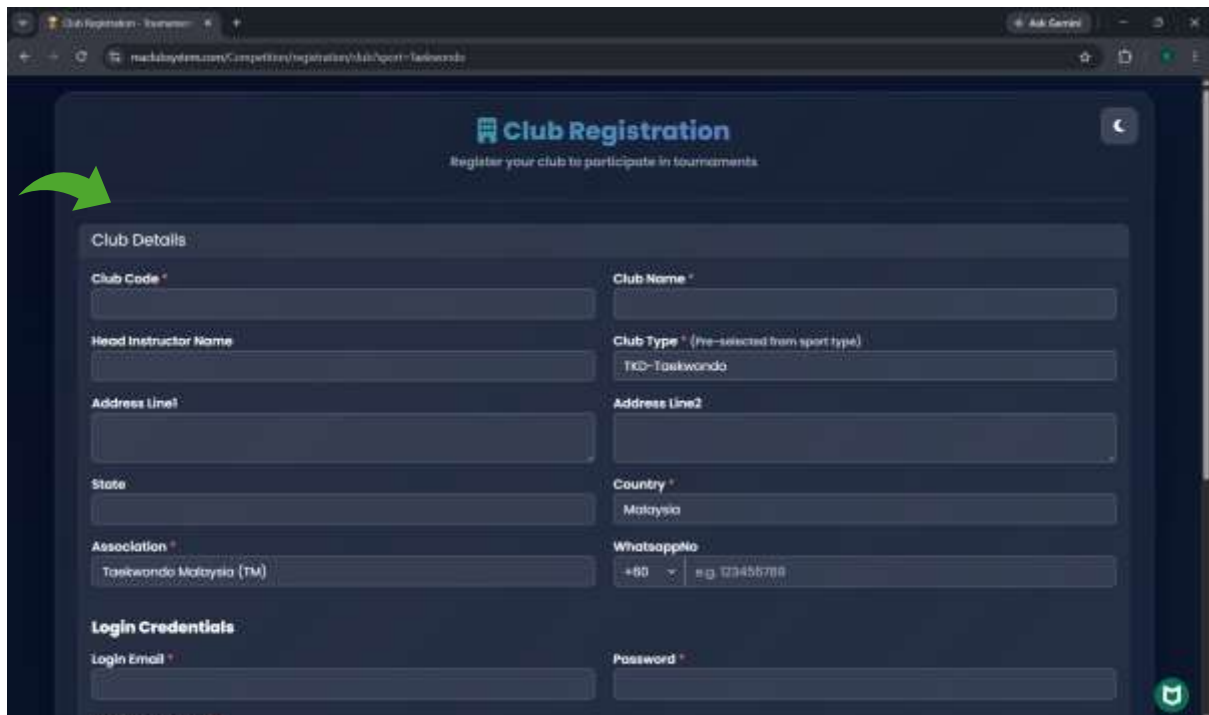

Step 3: Choose "New Club Registration"

After selecting a sport, the page confirms the selection and presents four options (Watch Live Event, Player Registration, Competition Setting, and New Club Registration). The user selects "New Club Registration."

Step 4: Fill in Club Details

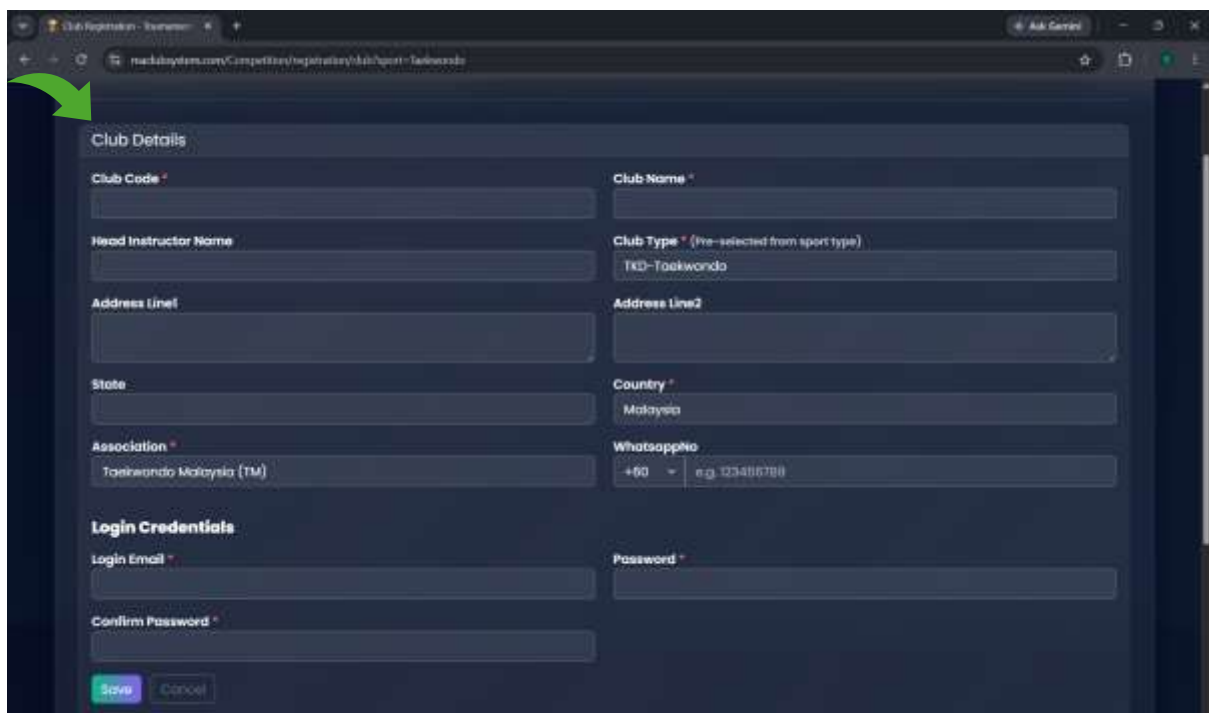

The Club Registration form opens with two sections (Club Details and Login Credentials). The Club Details section captures the club's identity and contact information.

The screenshot shows a web browser window with the URL <https://macthaysystem.com/competition/registration/club/sport-Taekwondo>. The page title is "Club Registration" with the subtitle "Register your club to participate in tournaments". A green arrow points to the "Club Details" section. The form is divided into two columns. The left column contains fields for "Club Code", "Head Instructor Name", "Address Line1", "State", "Association" (with a dropdown menu showing "Taekwondo Malaysia (TM)"), and "Login Credentials". The right column contains fields for "Club Name", "Club Type" (with a dropdown menu showing "TKD-Taekwondo"), "Address Line2", "Country" (with a dropdown menu showing "Malaysia"), "WhatsappNo" (with a dropdown menu showing "+60" and a text input field showing "e.g. 123456789"), and "Password". A "Confirm Password" field is also visible at the bottom left. A "Save" button is located at the bottom left of the form.

Step 5: Set Login Credentials

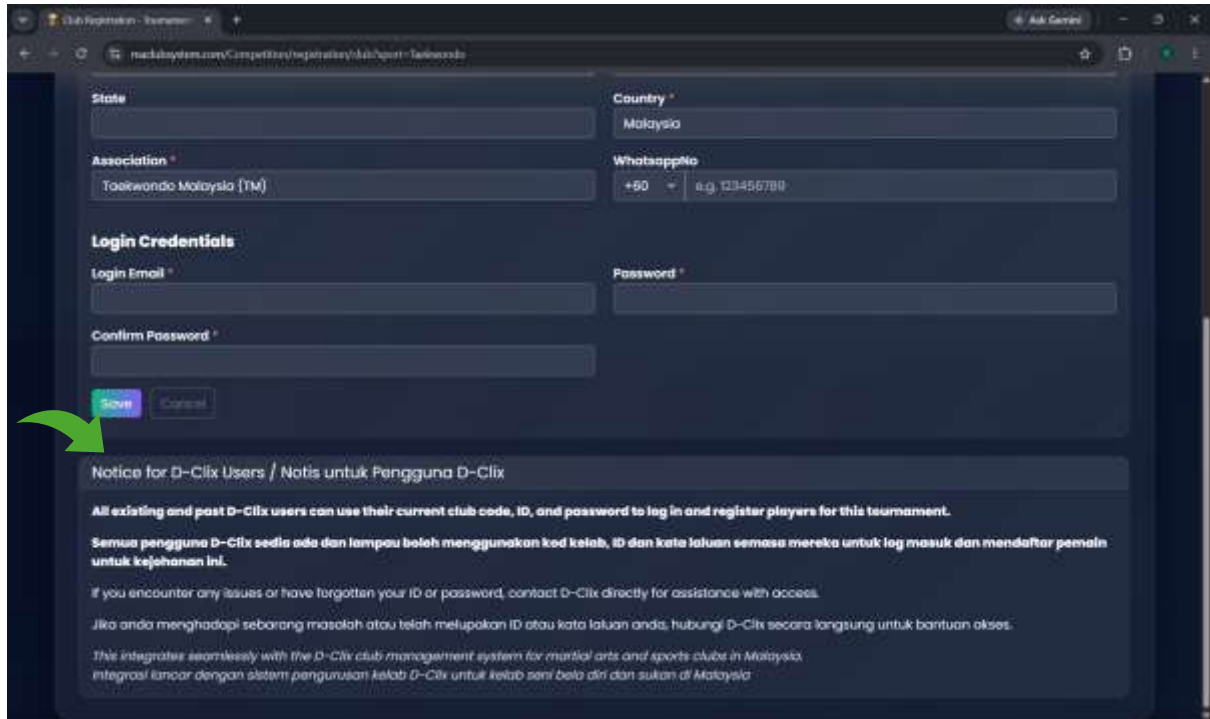

The second section of the form sets up the account the organiser will use to log in later via Competition Setting.

The screenshot shows the same web browser window as the previous one. A green arrow points to the "Login Credentials" section. The form is divided into two columns. The left column contains fields for "Club Code", "Head Instructor Name", "Address Line1", "State", "Association" (with a dropdown menu showing "Taekwondo Malaysia (TM)"), and "Login Credentials". The right column contains fields for "Club Name", "Club Type" (with a dropdown menu showing "TKD-Taekwondo"), "Address Line2", "Country" (with a dropdown menu showing "Malaysia"), "WhatsappNo" (with a dropdown menu showing "+60" and a text input field showing "e.g. 123456789"), and "Password". A "Confirm Password" field is also visible at the bottom left. A "Save" button is located at the bottom left of the form.

Step 6: Review the Notice for Existing D-Clix Users

Below the form, a bilingual (English/Malay) notice informs existing D-Clix users that they can use their current club code, ID, and password to log in and register players for the tournament, instead of creating a new registration. It also directs users who have forgotten their ID or password to contact D-Clix directly for assistance.

The screenshot shows a web browser window displaying a registration form for a tournament. The form includes fields for State, Country (set to Malaysia), Association (set to Taekwondo Malaysia [TM]), Whatanppho (with a dropdown for +60 and a text input for a phone number), Login Email, Password, and Confirm Password. Below the form are 'Save' and 'Cancel' buttons. A green arrow points to the 'Save' button. Below the form, there is a notice titled 'Notice for D-Clix Users / Notis untuk Pengguna D-Clix'. The notice contains the following text:

All existing and past D-Clix users can use their current club code, ID, and password to log in and register players for this tournament.

Semua pengguna D-Clix sedia ada dan lampau boleh menggunakan kod kelab, ID dan kata laluan semasa mereka untuk log masuk dan mendaftar pemain untuk kejohanan ini.

If you encounter any issues or have forgotten your ID or password, contact D-Clix directly for assistance with access.

Jika anda menghadapi sebarang masalah atau telah melupakan ID atau kata laluan anda, hubungi D-Clix secara langsung untuk bantuan akses.

This integrates seamlessly with the D-Clix club management system for martial arts and sports clubs in Malaysia.

Integrasi lancar dengan sistem pengurusan kelab D-Clix untuk kelab seni bela diri dan sukan di Malaysia.

Step 7: Save the Registration

The user clicks the "Save" button to submit the form. Once saved, the club account is created and can be used to log in via Competition Setting using the Club Code, the registered email (as Username), and the Password.

- Save - submits the form and creates the club account
- Cancel - discards the form
